

Benches

Bailey Streetscene's range of benches covers all your landscape designing needs - contemporary, stylish, modern and fun. Materials include steel, stainless steel, timber, granite and recycled plastic. All our benches are sourced from quality manufacturers from around the world.

Product Code: BSS20105

Our range of stainless steel benches are available in Grade 304 stainless steel; or, for more aggressive environments such as industrial or coastal areas, Grade 316 stainless steel. Stainless steel has become a more popular choice with architects in recent years.

Product Code: BSC2010

Steel is a very popular material choice for benches because it gives a strong, durable and vandal resistant solution whilst remaining simple to manufacture and extremely cost effective.

Product Code: Bespoke

Our cut stone and Granite benches offer you that touch of excellence and design that architects require when creating a modern and stylish environment.

Product Code: BSC2421

Our timber range of benches allows a simple integration of street furniture into a parkland or rural area. Timber is a material, which weathers naturally, and when treated appropriately, proves maintenance friendly and economical

Product Code: BSS23001

Recycled plastic is becoming more and more popular due to its versatility and the fact its Maintenance free, Hygienic, Easy to clean and Vandal Resistant.
