ECO 1000/CE/RP/PC/RZ/6630

Receiver 6630 Delta Dore

Thermostat 5101 Delta Dore

Receiver 16A supplied contact wired output

The benefits of using RF 6630 :

Intuitive remote control and programming using the TYDOM application

Each Ecolec electric heater product will include this receiever.

Wireless zone thermostat for electric Underfloor heating

The benefits of using TYBOX 5101 :

Feedback providing remote information of room temperature in the home

Reduced size allowing discrete installation

DELTA DORE

Smart is the new power

Gateway TYDOM 1.0 Delta Dore

IP home automation gateway for local or remote control with the TYDOM application

The benefits of using TYDOM 1.0 :

Centralise and manage all your equipment at home : heating, alarm system, garage doors and gates, blinds, lights

A simple and user-friendly Tydom application to control remotely all your equipment

Free app without subscription.

Solution evolves over time with the connected ecosystem from Delta Dore and its partners linds.

TYDOM 1.0
Home Automation is accessible to all

TYDOM 1.0 is a new generation of Home Automation solution that enables you to control your house, your second home or your office, locally or remotely, from your Smartphone or tablet.

Without subscription, each TYDOM solution includes a gateway and an application to control your connected devices wherever you are.

You can even make energy savings too.

The gateway and the application
