TOPTECH CRESCENT CYCLE SHELTER & RACKS TO SUIT 64 BIKES

The **Seagulls** get their top flight 64 bike cycle shelter installed in co-operation with their on-site stadium construction partner, The Buckingham Group Ltd.

Toptech Europe were asked by the Buckingham Group to provide a covered cycle parking area at the front of the American Express Community Stadium, adjacent to the Brighton FC Club Store. The Crescent Shelter measured 12,200mm long x 2,00mm deep with a clear height of 2,100mm with 'toaster' style cycle racks was selected, all powder coated in the clubs blue livery.
